

*The Bark*

This little gem depicts a clownfish encountering a damselfish. The clownfish is “barking” at the damselfish, hence the title of the drawing. This piece is by far my smallest work, only 13-1/2” x 11”. Limited giclees will only be available in this size. Columbine and 23k gold leaf (original only) adorn each side of this scene. The rich dark tones and close setting create an intimate feeling.

The fish is a Christian symbol of the early Church. It also represents the miracle of the loaves and fishes. The Columbine flower represents the seven gifts of the Holy Spirit: wisdom, understanding, counsel, fortitude, knowledge, piety, and fear of the Lord.
