

Ruah, Antelope Canyon #7

“Ruah” is an image of a rock formation in Antelope Canyon, Page, Arizona. I was able to take a guided tour of both the Upper and Lower Canyons, which was a real source of inspiration! I am taken in by the rhythm of the twisting and curving water carved walls. Nature blurs to shapes, forms and lines creating a dynamic design. Realism is pushed to abstraction.

If you could see the wind, this image would capture that invisible force. “Ruah” is the invisible Live Force – the Holy Spirit. The rich tones of oranges, pinks and golds soften the harsh etched stone that sweeps across the paper. This piece would be a beautiful addition to any room.
